

TEARLESS MILD SHAMPOO
FOR PUPPIES & ALL CAT BREEDS

ABOUT THE PRODUCT

TEARLESS MILD SHAMPOO

FOR PUPPIES & ALL CAT BREEDS

The original, innovative sulfate-free formula, featuring silver ions, calendula and oat extracts, wheat germ oil, Avena Sativa kernel extract, and mint essential oil, is specifically designed for bathing puppies of all breeds from 8 weeks of age and all breeds of cats. Carefully selected natural ingredients efficiently clean, condition, detangle the hair, reduce shedding and frizz, and leave the hair clean, silky, and smooth, without any unpleasant odors.

Silver ions and silver nanoparticles play a crucial role in defending against pathogenic microorganisms that accumulate on hair and skin, removing microbes and thereby enabling other active ingredients to exert their potent effectiveness in a completely clean environment.

The ingredients of the shampoo penetrate deep into the hair cuticle, strengthening it from the inside out. The luxurious formula of the shampoo helps to hydrate the hair, establish an optimal pH balance, nourish, and restore shine to the hair of puppies and kittens. The hypoallergenic formula of the shampoo is free from alcohol and parabens.

ACTIVE INGREDIENTS

Colloidal silver solution, calendula and oat extracts, hydrolyzed wheat germ oil, peppermint oil, mild surfactants.

INTENDED

Puppies of all breeds from 8 weeks of age and all breeds of cats.

HOW IS IT USED?

In the shower or bath, wet your pet with warm water, then slowly and thoroughly moisten the hair. Apply a small amount of shampoo from the paws upwards, taking care to avoid the eyes. Lather and gently massage the shampoo deep into the hair and skin. For a deeper clean, removing unpleasant odors and softening the hair, leave the shampoo on for 5 to 10 minutes. Then, rinse your pet thoroughly and gently dry them with a towel.

BENEFITS

- Sulfate-free formula 🐾
- No tears 🐾
- Protects and softens the hair 🐾
