

TWO-PHASE  
DETANGLING SPRAY

TWO-PHASE

DETANGLING SPRAY

## ABOUT THE PRODUCT

A two-phase, high-performance formula based on a colloidal silver solution, with the addition of olive and jojoba oils, hyaluronic acid, and lavender essential oil, is designed for neglected and tangled dog hair. The effect of selected emollients of plant origin and hyaluronic acid, contained in two separate phases that mix when the bottle is shaken, guarantees extreme protection and care from external negative influences, returning hairs to their natural shine.

Silver ions and silver nanoparticles play a crucial role in effectively defending against pathogenic microorganisms that accumulate on hair and skin, impeccably cleaning them of microbes and thereby enabling other active ingredients to demonstrate their potent effectiveness.

A special combination of amino acids strengthens the coat and makes combing more painless, especially if the coat has started to become matted. It also lubricates the hair, breaking up knots and softening the hair, reducing resistance when brushing. The spray possesses conditioning properties, eliminating the need for rinsing. The special formula creates a protective film around the hair, preventing its color from changing due to dirt, dust, and urine. It regenerates, hydrates, and protects the hair, while also exhibiting antistatic properties. The anti-allergic formula is free from alcohol and parabens.

## ACTIVE INGREDIENTS

Colloidal silver solution, hyaluronic acid, olive and jojoba oils, lavender essential oil.

## INTENDED

To the dogs.

## HOW IS IT USED?

Shake before use to mix the phases. Use after or between two baths. Apply the spray to the pet's hair, adjusting the amount to the size of the animal and the thickness of the fur. It can be used on both dry and wet hair. For a smooth and shiny finish, apply to dry fur and distribute evenly.

## BENEFITS

- Minimizes stress when brushing fur 🐾
- Untangles knots and matted hair 🐾
- Protects against pathogenic microorganisms 🐾
- Repels dust, dirt, and moisture 🐾
- Keeps fur fresh and shiny 🐾
- Protects and softens the hair 🐾
- Conditioner 🐾
- Antistatic 🐾
